Extension Lecture on Entrepreneurship

All students are hereby informed that an **Extension Lecture on Entrepreneurship** is being organized to develop entrepreneurial awareness, innovative thinking, and business-oriented skills among students.

Topic: *"From Idea to Enterprise: How to Convert an Innovative Idea into a Successful Business"*

Date: 1 September 2026

Time: 11:00 am

Venue: Commerce Block

Organized by: Placement Cell / Entrepreneurship Development Initiative

The lecture will focus on how students can identify business opportunities, transform innovative ideas into viable business models, understand basic requirements for starting an enterprise, and develop an entrepreneurial mindset. Students will also be encouraged to learn from practical examples and explore entrepreneurship as a career option.

All students are encouraged to participate actively and make the most of this learning opportunity.
